Van responds to the question, Why are you challenging a fellow Republican in the Primary?

The answer to this question has many parts. However, it is mostly because you, the precinct committeemen and committeewomen of LD – 22 asked me to run. I'm sure each of you have your own reason, however, let's just say I heard you and have taken the challenge.

I believe I can represent the interests of LD-22 residents with more passion and vigor than my opponent but with less consideration for the effect support for or opposition for a bill will have on my personal relationships within the legislature. Personal relationships my opponent seems to value over yours. I believe I can be more effective because I have no ambition to advance to legislative leadership nor do I have further political aspirations. I don't need to cultivate the types of relationships required to ensure future support for me to move up. I am 100% committed to developing support for important legislation that will improve the lives of Arizona residents.

Van DiCarlo is a conservative candidate for the Arizona Senate in the 22nd Legislative District.
